Mathématiques

Attention to all you scientists and STEM teachers out there !

On Tuesday the 20th of March 2018 the second edition of the conference

THE BEAUTIFUL IMPACT OF MATHEMATICS IN SOCIETY (BIMS) II

is being held on the VUB campus. This time the focus lies on science communication, in mathematics in particular.

Are you looking for tips to bring science in a comprehensible way during your classes, or present it to a wide audience and the press/media ? What are the secrets of an engaging presentation ? During our morning program you will learn the tricks of the trade !

Are you a teacher looking for content for your mathematics courses or STEM projects ? Then you'll get plenty of interesting cases in the afternoon !

In the evening we will have fun doing mathematics while having a beer at the Mort Subite in the center of Brussels - no math degree required

Detailed program and registration at <https://www.wtnschp.be/event/the-beautiful-impact-of-mathematics-in-society/>

Hurry up, save your seat and spread the word !
